

Thank you!

The 17th Annual BIG Drive for Education was a BIG success!

Over \$41,000 raise for NWIC Students & Programs!

The "Big Drive for Education Celebrity Golf Scramble" was a blast and your support made it possible. This year we hosted the "Big Drive for Education Celebrity Golf Scramble" on August 16th, 2019 at Lummi Nation's legendary Loomis Trail Golf Course. With your help we raised over \$41,000 for NWIC Athletics, scholarships, and student success initiatives!

This year was particularly significant because it introduced students, community members, and tribal youth to the sport of golf. On August 15th NWIC hosted a Notah Begay Foundation "NB3 Junior Golf Camp." Our NWIC students and NB3 Professionals shared the basic dynamics of golf and wellness with over 40 Lummi youth. All of the excitement around golf has been heard by the NWIC Administration and the college is happy to announce its first ever collegiate golf team!

It was a great day for golf but the success did not stay on the green! Over 30 local businesses donated to our raffle baskets & exclusive prizes to ensure all participants went home a winner.

With your continued support we may continue teaching generations and building a bridge between the golf industry, tribal youth, and higher education. On behalf of Northwest Indian College, the Northwest Indian College Foundation, and our students, "Hysh'qe Siam Xwe'nanget Sales" (thank you for your helping hands).
